

Job description

AO Trauma Middle East and Northern Africa Research Committee (AO TMENARC) member

AO Trauma Middle East and Northern Africa is looking for:

A highly-motivated trauma/orthopedic surgeon, who is altruistic, a true team player, and who has the vision and astuteness to further develop the AO Trauma community. The successful applicant will be member of the AO Trauma Middle East and Northern Africa Research Committee to advance the AO Trauma Research portfolio. The candidate should have a reputable education and background in orthopedic trauma surgery, ideally combined with a good business and strategic awareness. He/she should have international experience and be able to work in multi-cultural environments.

Position	AO Trauma Middle East and Northern Africa Committee Member
Function	AO Trauma Middle East and Northern Africa Research Committee Member
Territory	Middle East and Northern Africa
Reporting to	Chairperson AO Trauma Middle East and Northern Africa Research Committee
Term	Three (3) years as AO TMENARC (one re-election possible)

Responsibilities

Accountabilities

Accountable to the AO TMENARC and the member of the AO Trauma Middle East and Northern Africa (AO TMENA) community

- Lead AO TMENARC without bias—enacting all AO Trauma Terms of References guidelines and policies
- Ensure that AO TMENA remains a surgeon lead community—creating value for its members
- Define the AO Trauma Middle East and Northern Africa research focus and priorities based on feedback from the community and on current trends in the field of trauma and orthopedic surgery
- Define the annual AO TMENARC budget and plans
- Supervise and monitor AO TMENARC projects (milestones and budget)

Accountable to the AO TMENA Board for the performance and compliance of the AO TMENA

- Ensure that AO TMENA as a whole conforms to all charters (incl. by-laws, shared values, code of ethics), templates of governance and policy guidelines of the AO Foundation
- Represent the interests of AO TMENA
- Convey and implement all AO TMENA Board directives, goals and objectives to the AO TMENARC, its various stakeholders and its regional and country entities, and monitor performance and achievement
- Oversee the definition, implementation and monitoring of AO TMENA's mid-term plan activities
- Advance the vision and mission of the AO Foundation

Requirements

Essential criteria

- An AO Trauma paying member
- Experience in an AO Trauma officer role as current or past member of any AO TMENA County Council (must have held the position for minimum one year before becoming eligible for election)
- An active, practicing trauma and/or orthopedic surgeon, with demonstrated knowledge and experience in trauma, ideally holding a leadership position at a university or academic institution
- An active AO Trauma member, with experience in research: At least 10 publications in Pubmed indexed
- FEP or equivalent
- A recognized member or officer on key national, regional or international trauma associations
- Does not hold other governance positions in AO Trauma. If elected from within the same governance body and keen to assume the position, he/ she will be required to resign from the prior position as soon as the term as new chairperson-elect begins
- Ready to prepare, attend and actively participate in various governance meetings
- Highly motivated to develop and manage interpersonal connections across professional specialties and to continue to build up AO Trauma as the world leading Trauma body

- A good and clear communicator, a good listener and a facilitator
- Prepared to volunteer up to 1–2 days per month away from his/ her clinical practice, as well as to be reasonably accessible at his/ her clinical practice
- Prepared to volunteer up to 1 day per month for meeting preparation, correspondence by email or telephone
- Able to work in multi-cultural teams and environment
- Willing to travel regionally
- Have a good command of English (written and spoken). Any other global languages are advantageous
- Have experience in working with committees

Highly desirable criteria

- Show proven innovation within his/ her own institution or affiliated orthopedic bodies
- Have a broad personal network and strong relationships with regional and international opinion leaders in trauma and/ or orthopedic surgery
- Enjoy leading people by engaging and delegating
- Have a sound business awareness—understands business strategy and marketing-like activities
- Be a good project manager, delegator, and capable and willing to use diplomatic skills
- Have a good knowledge of Mac or Microsoft Office, ideally combined with other IT interests and skills
- Desirable any other research qualifications ie. AO ITC, ARI Fellowships

Remuneration

As per AO Foundation's guidelines
